

Northamptonshire Fire and Rescue Service (NFRS) Employee Sickness Report

Sickness data

The chart below shows the days lost in NFRS as a result of sickness absence from 2012 until 31 March 2018:

WDS – this stands for Wholetime Duty System (full time firefighters)

VCS – this stands for Variable Crewing System (full time firefighters)

RDS – this stands for Retained Duty System (on-call firefighters)

Support staff – staff that are non-operational and cover a range of support functions such as fleet, maintenance or administration

Fire Control - staff who work in the emergency control room, responding to 999 calls and mobilising appliances to incidents
