Re: Request for information (our ref: NFRS2019-19-19)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 14 May 2019. Our response is provided below:

Q1 *I would like to know the date and time the first appliance mobilised to the last appliance time booked available for each malicious false alarm incident from 01/01/2014 to date.*

If you are unable to provide the time the first appliance mobilised to the last appliance booked available, please provide the time mobilised to time available for each appliance, I will then extract this separately.

I would also like to know the incident number for each of the occasions and the location of the incident by either station area, local authority area or postcode, whichever is easiest for you to retrieve in the time allowed.

For context, I will be calculating the time between the first appliance mobilising to the last appliance booking available in order to determine the time crews spent on each incident.

Please refer to the attached Excel spreadsheet titled NFRS2019-19-19Data. The data has been provided in financial years and therefore goes back to 01 April 2013.

If I can be of any further assistance please do not hesitate to contact me quoting reference NFRS2019-19-19.

Yours sincerely

Service Information Team Leader
