Dear

Re: Request for information (our ref: FR147-155)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 21 January 2019. Our response is provided below:

- Q1 *How many animals have died in house fires over the last three calendar years (2018, 2017 and 2016)? Please could you break the data down by:*
- *Date of fire (only specifying the month and year, e.g. 11 deaths in August 2017)*
 - *Type of animal that died*

We do not hold this information. There may be occurrences where the information could have been recorded within a notes field but this would not be a true representation of the data as there could have been many other instances where this has occurred but not been recorded.

If I can be of any further assistance please do not hesitate to contact me quoting reference FR147-155.

Yours sincerely

Service Information Team Leader
