Re: Request for information (our ref: NFRS2019-07-07)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 12 April 2019. Our response is provided below:

Q1 Please could you provide the incident reports and subsequent investigation reports for all residential fires since 2009 where the investigation recorded missing or defective fire barriers/cavity barriers.

This level of detail is not recorded within our basic Incident Reporting System (IRS) reports and to manually check all fire investigation reports since 2009 for this information would exceed the time limit of 18 hours under the Act.

If I can be of any further assistance please do not hesitate to contact me quoting reference NFRS2019-07-07.

Yours sincerely

Service Information Team Leader
