Dear

Re: Request for information (our ref: FR134-187)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 25 February 2019. Our response is provided below:

Q1 The number of recorded assaults on your service's firefighters in each of the last five years was provided under request FR134-141. I would like to request any video material of those assault incidents previously referenced. I understand most appliances are fitted with CCTV cameras

Not all recorded assaults are captured on CCTV and therefore footage would only be held where captured and downloaded. Under Section 40(2) of the Act, we would not release any video material due to Data Protection.

If I can be of any further assistance please do not hesitate to contact me quoting reference FR134-187.

Yours sincerely

Service Information Team Leader
