I am writing in response to your request for information under the Freedom of Information Act 2000, received 27 January 2020. Our response is provided below:

Q1 Does your organisation use a weather forecasting/monitoring service called Hazard Manager provided by the Met Office? If so, please confirm whether this is a paid for service or provided free of charge.

Our Fire Control department have access to Hazard Manager provided by the Met Office but this is not a paid for version.

If I can be of any further assistance please do not hesitate to contact me quoting reference NFRS2020-147-165.
