Re: Request for information (our ref: NFRS2020-150-169)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 04 February 2020. Our response is provided below:

Q1 How many road vehicles (both fire engines and fast response cars) did the Northamptonshire Fire and Rescue Service (NFRS) operate, as of 31 December 2019? If possible, please give separate figures for the basic types of vehicle. If not, please give an overall figure.

NFRS' fleet list is publicly available on our website: www.northantsfire.gov.uk > About us > Who we are and what we do > [Our fleet](#).

Q2 How many road accidents (crashes, scrapes and other damage) did all these vehicles incur during 2019?

During 2019 we had 49 incidents involving NFRS vehicles.

Q3 What was the value of the damage from all these accidents (in repairs, insurance claims and value of written-off vehicles)?

None of the vehicles were written off. The total value of repairs and insurance costs was £28,030.33.

If I can be of any further assistance please do not hesitate to contact me quoting reference NFRS2020-150-169.

Yours sincerely

Service Information Team Leader
