Re: Request for information (our ref: NFRS2019-94-103)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 26 September 2019. Our response is provided below:

Q1 Please provide the data for every invoice paid to trade suppliers between 01 April 2015 – 31 March 2019 that took longer than 30 days to pay. To define this further, invoices where the payment date is greater than 30 days from the invoice date. Excluding any payments not supported by an invoice, e.g. those made to individuals or that are paid to businesses that have not submitted an invoice.

Mandatory data requirements: Supplier name, invoice date (date on invoice), date invoice was paid and invoice gross value.

Optional data requirement (to be provided if available): Your invoice reference (system assigned reference), supplier invoice reference, supplier reference, supplier postcode/postal town, invoice net value and invoice VAT value.

On 01 January 2019, Northamptonshire Fire and Rescue Service (NFRS) transferred governance from Northamptonshire County Council (NCC) to the Office of the Police, Fire and Crime Commissioner (OPFCC) and therefore prior to 01 January 2019 the data requested for the period 01 April 2015 – 31 December 2019 for NFRS has been included on the full return you have been sent from NCC under their reference FR9518.

For the data requested for the period 01 January – 31 March 2019 please refer to the attached Excel spreadsheet titled NFRS2019-94-103Data.

If I can be of any further assistance please do not hesitate to contact me quoting reference NFRS2019-94-103.

Yours sincerely
