Re: Request for information (our ref: NFRS2020-239-278)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 22 October 2020. Our response is provided below:

Q1 Please could you provide me with a copy of any communication your organisation has sent to any local authority with responsibility for highways dated between 01 March 2020 and 22 October 2020.

This communication should be limited to only those that include any reference to the fact that response times are being increased, or are at risk of being increased, because of traffic measures which have been brought in by the highways authority.

We have checked our records and do not have any correspondence to local authorities in reference to an increase of response times as a result of traffic measures brought in by any highways authority.

If I can be of any further assistance please do not hesitate to contact me quoting reference NFRS2020-239-278.

Yours sincerely

Service Information Team Leader
