Re: Request for information (our ref: NFRS2020-257-301)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 07 December 2020. Our response is provided below:

Q1 Can you please provide moped fire cases (either accidental or deliberate) that Northamptonshire Fire and Rescue Service (NFRS) have reported between 2007 and 2010?

Our electronic Incident Recording System (IRS) records are dated from 01 April 2009 so we can only provide data for the period 01 April 2009 – 31 December 2010. Clerical incident data prior to this date would need to be checked manually which due to the number of incidents over the period requested, it would exceed the time limit under the Act.

We do not have a recording category for 'moped' fires and therefore can only report on 'motorcycle' fires. Of which there were 45 recorded between 01 April and 31 December 2009 and 39 recorded between 01 January and 31 December 2010.

If I can be of any further assistance, please do not hesitate to contact me quoting reference NFRS2020-257-301.

Yours sincerely

Service Information Team Leader
