Re: Request for information (our ref: NFRS2020-262-307)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 22 December 2020. Our response is provided below:

Q1 Please provide a copy of the Fire and Rescue Service mobilising policy and forms FB187-194.

Northamptonshire Fire and Rescue Service's (NFRS) mobilising policy is classified as official-sensitive. We are exempting the disclosure of our policy under both Section 24 [Safeguarding National Security] and Section 38 [Endangering Health and Safety] of the Act.

Publicly disclosing our full operational instructions for incidents could not only jeopardise the physical health and safety of both staff and the public, it also puts NFRS at risk of a targeted attack therefore to maintain the security of our response to incidents we cannot fulfil your request.

The purpose of the Act is to release information recorded and held by NFRS, the forms FB187-194 are internal blank templates and therefore until they are utilised, no information is recorded on them for NFRS to release.

If I can be of any further assistance, please do not hesitate to contact me quoting reference NFRS2020-262-307.

Yours sincerely

Service Information Team Leader
