Re: Request for information (our ref: NFRS2021-10-11)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 19 January 2021. Our response is provided below:

Q1 I would like to know on how many occasions over the year a fire appliance has been unavailable due to insufficient crewing levels.

For each occasion, please could you provide the date, length of time the appliance was unavailable, type of appliance and the station it is based at. Please could I have this information for the years 2015, 2019 and 2020 (not including subsequent years).

We do not hold the data in the format or with the level of detail requested. From April 2019 we hold availability data that can be used to give a percentage monthly availability figure for appliances. Please refer to the attached Excel spreadsheet titled NFRS2021-10-11Data.

If I can be of any further assistance, please do not hesitate to contact me quoting reference NFRS2021-10-11.

Yours sincerely

Service Information Team Leader
