Re: Request for information (our ref: NFRS2021-27-30)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 16 March 2021. Our response is provided below:

Q1 What is the number of any employment tribunal claims brought against Northamptonshire Fire and Rescue Service (NFRS) where discrimination on the grounds of race has been cited for the calendar years of 2015-2020.

If there has been such claims, can you please tell me how many such claims were brought per year requested, the nature of such complaint, whether it was made by a member of a public or a staff member and whether it was upheld/partially upheld/not upheld.

There were no claims against NFRS for discrimination on the ground of race between the calendar years of 2015 to 2020.

If I can be of any further assistance please do not hesitate to contact me quoting reference NFRS2021-27-30.

Yours sincerely

Service Information Team Leader
