Re: Request for information (our ref: NFRS2022-50-50)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 25 April 2022. Our response is provided below:

Q1 As per your financial logs from March 2022, it is public record that you have purchased four vehicles from the manufacturer Emergency One. The vehicles were priced between £14,000-£16,000. Please can you specify the make, model, type and purpose of the vehicles?

Northamptonshire Fire and Rescue Service (NFRS) purchased four P280 Scania Fire appliances to be used within our fleet to replace older vehicles.

Please note the cost quoted above was not the price of the vehicles, these were instalment costs to build the appliances to the required specification as per the build plan agreements with Emergency One.

If I can be of any further assistance, please do not hesitate to contact me quoting reference NFRS2022-50-50.

Yours sincerely
Service Information Team
