Re: Request for information (our ref: NFRS2022-57-57)

I am writing in response to your request for information under the Freedom of Information Act 2000, received 29 April 2022. Our response is provided below:

Q1 What is the total number of mobilisations Northamptonshire Fire and Rescue Service's (NFRS) pumping appliances has attended relating to grass, woodland, forest or crop fires during the financial years below. Also, for each of these incidents in each of these years, what is the total number of hours spent at these fires (incident time)?

Please refer to the table below:

Financial year	Number of incidents	Number of mobilisations*
2011/12	549	706
2012/13	185	210
2013/14	335	360
2014/15	292	330
2015/16	290	325
2016/17	317	367
2017/18	311	377
2018/19	389	508
2019/20	261	355
2020/21	277	344
2021/22	291	367

**Approximate number of mobilisations*

We do not record total incident time in a reportable format so each incident would need to be checked to collate total times. With 3,497 incidents to check it would exceed the limit under the Act.

If I can be of any further assistance, please do not hesitate to contact me quoting reference NFRS2022-57-57.

Yours sincerely
 Service Information Team
