I am writing in response to your request for information under the Freedom of Information Act 2000, received 10 May 2022. Our response is provided below:

*Request for information from Northamptonshire Fire and Rescue, in relation to contract's register.*

*The full contract register should display all the organisations existing/live contracts.*

#### Contract Data/API Contact Details

Q1 *Can you provide me with contact details of the person responsible for the actual contract's register or someone responsible for API? [Name, Job Title, Telephone, Email address]. At the very least provide me with their actual job title. (Meaning of API "a set of functions and procedures that allow the creation of applications which access the features or data of an operating system, application, or other service.")*

The contracts register for Northamptonshire Fire and Rescue Service (NFRS) is accessible from [our website](#) > About us > Publication of Information > Lists and registers > [Our registers](#).

Contracts within NFRS are managed by our Commercial Department. The lead for NFRS is Fleur Winters, Commercial Engagement Partner, [fleur.winters@northants.police.uk](mailto:fleur.winters@northants.police.uk).

If I can be of any further assistance, please do not hesitate to contact me quoting reference NFRS2022-65-65.
