### **Re: Request for information (our ref: NFRS2022-76-76)**

I am writing in response to your request for information under the Freedom of Information Act 2000, received 06 June 2022. Our response is provided below:

*Q1 How many working days (both firefighters and staff) were lost to psychological disorders between January 2020 and January 2022.*

During the period requested, a total of 659.5 shifts were lost due to absences recorded as Anxiety, Mental Health, Depression or Stress. We are unable to report on working days lost for On-Call staff as they do not follow a standard working pattern.

If I can be of any further assistance, please do not hesitate to contact me quoting reference NFRS2022-76-76.

Yours sincerely  
Service Information Team
