The Equality Act 2010 places a 'General Duty' on all public bodies to have 'Due regard' to:

- Eliminating discrimination, harassment and victimisation
- Advancing equality of opportunity
- Fostering good relations

We do this by undertaking EqIAs to help us understand the implications of policies and decisions on people with protected characteristics – EqIAs are our way of evidencing this.

All assessments must be published on our intranet / internet (where public related). All papers where an EqIA is relevant **MUST** include a link to the web page where this assessment will be published. If you require assistance in getting your EqIA published, please contact enquiries@northantsfire.gov.uk
