

**13 January 2026**

**Request:**

The purpose of this request is to gather data on the costs of bariatric equipment and bariatric rescues for the previous six calendar years.

Specifically, I am seeking anonymised data on the following from January 2020 to September 2025:

Rescue Incidents Involving Bariatric Assistance:

1. The number of incidents attended by your service where bariatric equipment was required (i.e., incidents involving the movement, evacuation, or rescue of obese individuals).
2. The total cost incurred for each incident and the approximate duration of the rescue (including staff hours, equipment usage, etc).

Bariatric Equipment and Fleet Expenditure:

3. The total amount spent on bariatric rescue equipment (e.g., stretchers, evacuation chairs, lifting/hoisting equipment, cranes, specialist vehicles, or similar | including the cost of improving, maintaining or upgrading existing equipment e.g. vehicle modifications).

**Response:**

For Q1 and Q2 the data is provided up until 31 October 2025.

3. The cost spent on bariatric equipment for the period from January 2024 to January 2025 is £24,624 excluding VAT. This is the only data available within the records of Northamptonshire Fire and Rescue Service.

Please note that this information was correct at the date of receipt of the request. Every effort is made to ensure that the figures presented are accurate and complete. The figures provided therefore are our best interpretation of relevance of data to your request, but you should be aware that the collation of figures for ad hoc requests may have limitations, and this should be taken into account when the data is used.

The numerical data presented in this response is an unaudited snapshot of unpublished data sourced from "live" systems and is subject to the interpretation of the original request by the individual extracting the data.

Northamptonshire Fire and Rescue Service systems are designed primarily for the management of individual cases and not for the production of statistical information for Freedom of Information responses.

The figures provided therefore are our best interpretation of relevance of data to your request, but you should be aware that the collation of figures for ad hoc requests may have limitations and this should be taken into account when the data is used.

If you decide to write an article/use the enclosed data, we ask you to take into consideration the factors highlighted in this document so as to not mislead members of the public or official bodies or misrepresent the relevance of the whole or any part of this disclosed material.

## **APPEAL RIGHTS**

If you are unhappy with how your request has been handled or you do not think the decision is correct, you have the right to ask for a review of the decision.

Prior to lodging a formal appeal you are welcome and encouraged to discuss the decision with the case officer that dealt with your request.

Ask to have the decision looked at again

The quickest and easiest way to have the decision looked at again is to telephone the case officer. That person will be able to discuss the decision, explain any issues and assist with any problems.

### **Appeal**

If you are dissatisfied with the handling procedures or the decision that the Service have made under the Freedom of Information Act 2000 (the Act) regarding access to information, you can lodge an appeal with the Service to have the decision reviewed.

Appeals should be made in writing within 20 days of receipt of your reply and either emailed to [freedomofinformation@northants.police.uk](mailto:freedomofinformation@northants.police.uk) or addressed to:

**Freedom of Information Manager**

**Information Unit**

**Darby House**

**Darby Close**

**Park Farm Industrial Estate**

**Wellingborough**

**NN8 6GS**

Where possible the Service will aim to respond to your appeal within 20 working days.

However, meeting this time scale will depend upon the circumstances and complexity of the issue.
